

# The Larocque West Project

## Athabasca Basin, Saskatchewan

### Directors

Leigh Curyer, *Chairman*  
Craig Parry, *President and CEO*  
Christopher McFadden  
Richard Patricio  
Trevor Thiele

### Management

Craig Parry, *President and CEO*  
Steve Blower, *VP Exploration*  
Janine Richardson, *CFO*  
Keith Bodnarchuk, *Corp Dev Manager*  
Andy Carmichael, *Senior Geologist*  
Justin Rodko, *Project Geologist*

The Larocque West project is located 5 kilometres west of the Larocque Lake Zone, 10 kilometres southwest the Hurricane zone, and 35 kilometres northwest of McClean Lake mine. The project consists of 6 mineral claims totalling 509 hectares. The vertical depth to the unconformity is 335 metres.

## Historical Work

### 1980's: Interuranium Canada Ltd.

- Time Domain EM surveying and regional lake sediment sampling

### 2000's: Denison Mines Corp. and JNR Resources Inc.

- Transient EM surveying, boulder sampling, and diamond drilling
- Drill hole BL-07-03 intersected widespread silicification weak chlorite alteration in basal sandstone

### 2010's: Denison Mines Corp.

- Airborne and ground electromagnetic surveying

## Potential

- Larocque West covers 3.5 kilometres strike length of a prominent magnetic break on the western edge of the prospective Larocque Lake magnetic low trend, host to IsoEnergy's Hurricane Zone and the Alligator Lake, Larocque Lake, and Larocque North showings
- The sole drill hole completed on the project failed to intersect the targeted conductor, suggesting the optimal target remains untested
- The property is located near infrastructure with Highway 905 and powerlines located 6 kilometres to the west

## Next Steps

- Reinterpret recent airborne EM surveys
- Follow-up drilling to test EM conductor missed by BL-07-03

## Larocque West Claim Summary

Claim	Hectares	Effective Date	Annual Assessment	Expiry Date
MC00013982	97	June 17, 2020	\$1,451	Sept. 15, 2022
MC00013984	48	June 17, 2020	\$725	Sept. 15, 2022
MC00013985	99	June 17, 2020	\$1,487	Sept. 15, 2022
MC00013999	51	June 17, 2020	\$762	Sept. 15, 2022
MC00014024	117	June 17, 2020	\$1,754	Sept. 15, 2022
MC00014041	97	June 18, 2020	\$1,451	Sept. 16, 2022
<b>Total</b>	<b>509</b>		<b>\$7,630</b>
